PROFESSIONAL SUMMARY

Commercial professional with 10+ years of B2B experience spanning enterprise automotive manufacturing (Tier-1 supplier to VW Group) and a global tech platform (Uber). Most recently managed a portfolio of 150+ strategic merchant accounts (€11M+ annualized GMV), maintaining a 1.7% churn rate vs. a 4.6% national average through data-driven account health monitoring (SQL, BigQuery, Tableau). Experienced in retention strategy, commercial negotiation, upselling ad products, and cross-functional collaboration with Risk, Compliance, and Operations teams to simplify processes and deliver measurable customer outcomes.

WORK EXPERIENCE

Uber Germany **Cologne, Germany**
Account Manager Territory West Germany ***Oct. 2025-Apr. 2026***

Strategic Portfolio Growth & Revenue Optimization:

- **Portfolio Growth:** Managed a high-value portfolio of 150+ strategic accounts driving €11M+ annualized GMV, achieving 120% of Q1 2026 target and ranking Top 5 AM in Germany.
- **Consultative Account Reviews:** Cultivated executive-level relationships and conducted data-driven QBRs using SQL/Tableau, positioning recommendations around each partner's business priorities as a trusted advisor.
- **Cross-sell & Upsell:** Accelerated ad monetization by 91% (30% to 57.4% Sponsored Ads adoption) and expanded merchant-funded performance marketing to 43.1%.

Retention Management & Commercial Negotiations:

- **Retention & Churn Risk Management:** Protected portfolio health by maintaining a 1.7% churn rate vs. 4.6% national average through Unit Economics modeling and tailored commercial performance packages.
- **Data Funnel Analytics:** Leveraged SQL/Querybuilder and Tableau to analyze in-app user conversion funnels and ad attribution metrics, translating complex data into actionable growth and retention strategies during structured client QBRs.

Cross-functional Collaboration & Process Simplification:

- **Cross-functional Orchestration:** Orchestrated a cross-functional virtual team (Risk, Compliance, Merchant Ops, Product) to re-engineer strategic client verification workflows, aligning regulatory compliance with marketplace integrity and reducing operational friction by 10%.

Account Executive NRW Germany (Strategically Re-hired) ***Sep. 2024-Sep. 2025***

Partner Acquisition:

- Consistently exceeded monthly partner acquisition targets, averaging 14 new partners per month and securing a monthly pipeline value of €2.9K, achieving 120% of aggregate performance goals.
- **Structured Deal Qualification:** Qualified and advanced opportunities using an approach aligned with MEDDPIC principles: quantifying projected GMV impact for each partner (Metrics), engaging owners and decision makers directly (Economic Buyer), and anchoring proposals on operational pain points such as order volume and visibility (Identify Pain).
- Managed the end-to-end sales lifecycle (Prospecting, Outreach, Pitching, Commercial Negotiation, Closed-Won, and Partner Onboarding), ensuring smooth handoff and marketplace readiness for new partners.

Talent Development & Awards:

- Led onboarding initiatives and acted as a peer mentor for new hires, accelerating their ramp-up by sharing best-practice sales playbooks and localized market insights.
- **Team Member of the Year 2025:** Selected as “Team Member of the Year” at Uber Germany (Territory West) for outstanding performance, collaboration, and boosting team morale.

BonFry BFY Services **Düsseldorf, Germany**
Sr. Account Executive NRW Germany ***May 2024-Aug. 2024***

- Managed annual supply and recovery of over 72,000L of cooking oil, introducing a circular economy solution for eco-friendly energy production (equivalent to approx. €120k in annual revenue).
- Negotiated and closed a landmark multi-location contract with Brickny Group (15 locations), representing the largest single contract in corporate history and validating enterprise-level B2B sales capabilities.
- Secured performance-based incentives in an expedited timeframe, recognized by leadership for driving immediate revenue impact within a 4-month tenure.

Uber Germany **Düsseldorf, Germany**
Field Sales Representative ***Aug. 2023-May 2024***

Spearheaded new merchant acquisition:

- Generated an average monthly net delivery Gross Merchandise Value of €13K per strategic account, expanding the local commerce marketplace and boosting regional category activation.
- Optimized merchant marketing investments by upselling monthly In-App Sponsored Ads spend of €120 and maintaining a consistent 5% promotion adoption rate relative to overall partner Gross Merchandise Value.
- Secured exclusive, single-contract partnerships with high-value strategic accounts (Local Favorites).

Unitech Deutschland GmbH **Düsseldorf, Germany**
Sales & Administration Deputy Manager ***Jan. 2016-Apr. 2023***

- **Enterprise Account Management:** Spearheaded enterprise B2B strategic account strategy within the European automotive manufacturing sector, securing official Tier-1 supplier nomination from Volkswagen (VW) Group in 2021.
- **Cross-Border Account Support & Risk Mitigation:** Co-managed Key Account operations for Hyundai Motor Group (Hyundai & KIA) manufacturing plants in Slovakia, serving as the central liaison to resolve emergency production line issues and facilitate technical audit compliance.
- **Global Tri-Regional Orchestration:** Orchestrated multi-stakeholder communication and operational alignment across Germany (Regional R&D/Sales), Slovakia (Manufacturing Facilities), and South Korea (HQ), ensuring business continuity and enterprise SLA compliance.
- **Operations & Budgeting:** Overhauled and localized the German subsidiary's administrative, HR, and financial management systems, taking full ownership of a €1.2M annual operation budget while improving transparency and cost efficiency.

KITECH Research & Business Development **Aachen, Germany**
Business Development Specialist ***Mar. 2014-Dec. 2015***

- **Business Development:** Pitched research proposals to Korean SMB partners, coordinated executive meetings with bilingual interpretation, and managed local regulatory permitting and operating expenses for subsidiary setups.

Serviceplan Group **Seoul, South Korea**
Internship Account Executive ***Jun. 2012-Jan. 2013***

- **Digital Marketing:** Supported online marketing and customer service operations for BMW Korea, while executing social media campaigns to drive community engagement.
